Ich habe ein neues Paar Inliner.

Ich skate auf der Straße.

Hier ist der Park, in dem ich gerne skate.

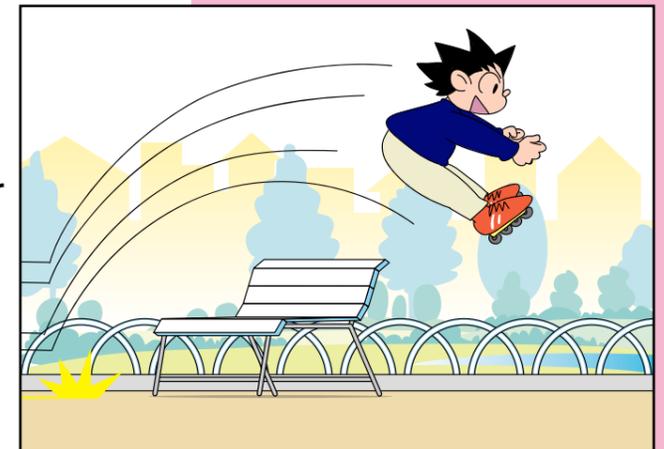

Ich skate durch die Tore.

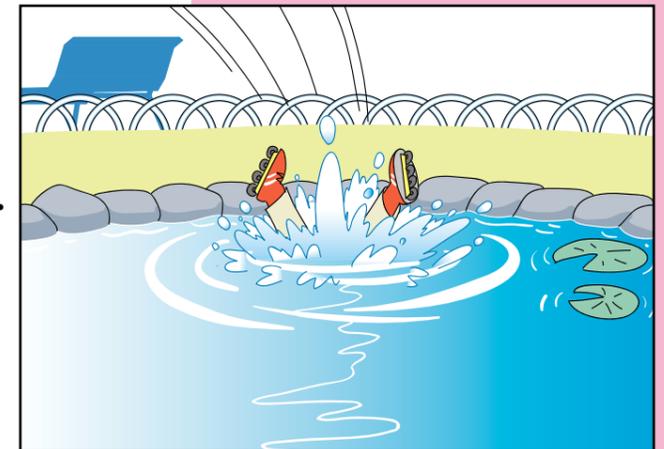

Schau mir zu, wie ich den Weg entlang skate,

und einen großen Sprung über eine Bank mache.

Dann fahre ich in den Teich ... hoppla!!!

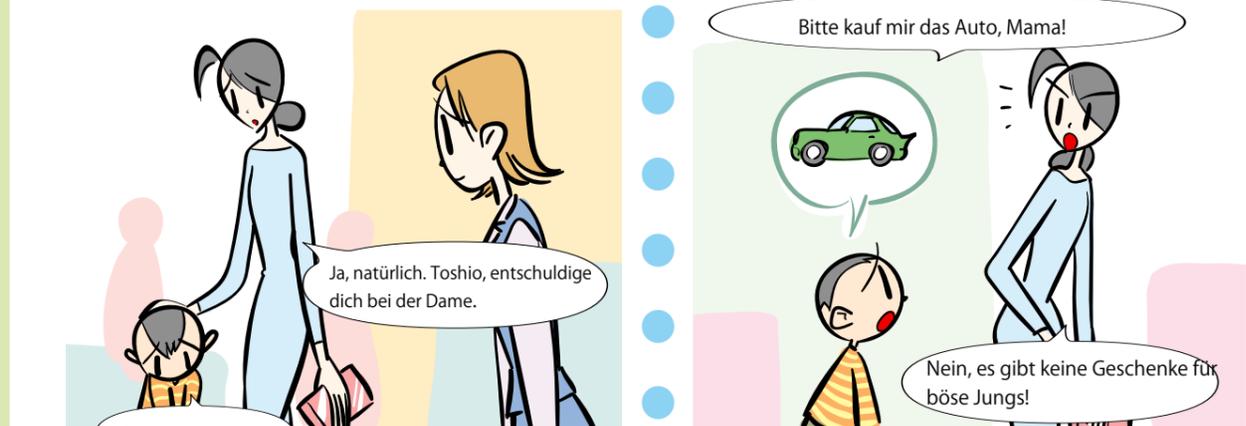

Du solltest nicht so schnell fahren, weißt du.

## Die alte Oma Frank

Die alte Mutter Frank ging an den Schrank,  
um ihrem armen Hund einen Knochen zu geben;  
sie ging daher, da war der Schrank leer,  
Und so musste der arme Hund ohne leben.

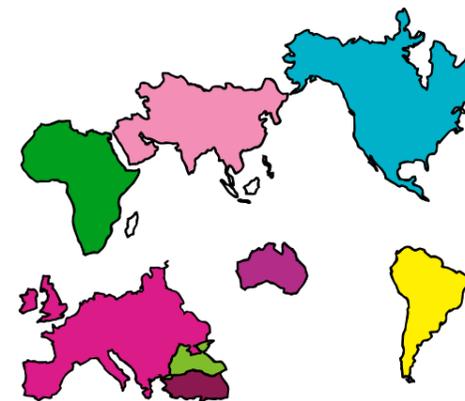

## Die alte Oma Krause

Die ganze Nacht, den ganzen Tag,  
wachen Engel über mich.  
Die ganze Nacht, den ganzen Tag,  
Engel wachen über mich.  
Wenn ich nachts schlafen gehe,  
wachen Engel über mich.

## Hier lang, dort lang

Eines Tages ging ich spazieren,  
spazieren, spazieren, in diese Richtung.  
In diese Richtung mit meinem Hund.  
Ich ging weiter in diese Richtung.  
Am nächsten Tag  
bin ich in diese Richtung laufen.  
Laufen, laufen mit meinem Bruder.  
Ich lief in diese Richtung.  
Eines Nachts bin ich gesprungen, gesprungen,  
gesprungen, gesprungen in diese Richtung.  
In diese Richtung auf meinem Bett.  
Ich sprang immer weiter in diese Richtung.  
In der nächsten Nacht ging ich  
auf Zehenspitzen in diese Richtung.  
Auf Zehenspitzen, auf Zehenspitzen  
mit meiner Katze.  
Auf Zehenspitzen in diese Richtung.

## Die Kontinente

Nordamerika, Südamerika, Asien...  
Es gibt noch mehr.  
Europa, Afrika, Australien, die Antarktis...  
Das macht sieben.  
Das sind alle Kontinente,  
die es auf unserer Erde gibt.  
Mal sehen, wer sie alle auswendig kennt.  
Nordamerika, Südamerika, Asien...  
Das sind immer noch drei.  
Europa, Afrika, Australien, Antarktis...  
Das sind die anderen vier.  
Du kennst die Kontinente!
